Pledge a donation amount for each song this volunteer sings! All donations benefit the West End Food Pantry. We service Monroe County and part of Carbon County and feed an average of 250 families twice per month. Around 27% of our clients are children and around 22% are seniors. Just \$10 provides 200 pounds of food for local families. Because we are all donation/volunteer, 100% of your money goes directly to providing food and services for your neighbors in need. Your donation is deeply appreciated.

Checks may be made payable to West End Pantry, Inc. Donations may be mailed or dropped off at:
